Re: Consent to retransmit under 47 CFR 90.219(b)(1): Example office building (fictional)

We consent to the retransmission of the following channels by the Class A (channelized) signal booster at the building above:

Call sign	Downlink MHz
KNIQ704	851.7125, 851.8125, 852.675, 853.1875, 856.4375, 856.7625, 856.9375, 857.4375, 857.7625, 857.9375, 858.4375, 858.7625, 858.9375, 859.4375, 859.7625, 859.9375, 860.4375, 860.7625, 860.9375
KIC338	154.13, 154.28

Conditions: uplink gain no more than 40 dB; the donor antenna aimed at the site named in your request; notify us before activation and at each annual test; shut the booster down at our request. This consent is reviewed in one year.
